SOFT CHEESE

PERL WEN (O) Vegetarian rennet Pasteurised cow's milk, Wales	Creamy, cow's milk cheese from Carmarthenshire. It looks like a brie-style cheese with its beautiful white rind and yellow paste, but the flavours are more milky and buttery, and less vegetable. The cheese is a firm cream texture, and rarely goes runny.	£19.15/kg
CAWS TEIFI HALLOUMI (O) Vegetarian rennet Unpastuerised cow's milk, Wales	Fantastic local cheese best served grilled or fried. Available in pre-pack 200g (approx.) blocks.	£22.95/kg
BRIE DE MEAUX Traditional rennet Unpasteurised cow's milk, France	The absolute classic French brie. With rich, cabbage flavours, and an unctuous runny texture, we love this traditional, pungent cheese. A strong cheese, it is also wonderful to add a deep flavour to pies and pastries, but my favourite is simply smeared on bread.	£25.95/kg
BARON BIGOD Traditional rennet Unpasteurised cow's milk, England	This cheese from Suffolk is changing the landscape of English soft brie-style cheese. Developed along the lines of a traditional French Brie de Meaux, even down to the breed of cows they milk (Montbeliarde). A new favourite of oursand a great choice for the Christmas day cheeseboard.	£31.50/kg
VACHERIN MONT D'OR Traditional rennet Unpasteurised cow's milk, France	Made from mid-August to mid-March and wrapped in spruce bark, this is not a cheese, it's a winter ritual. LANGRES Traditional rennet Pasteurised cow's milk, France	An all year round favourite, this lovely orange cheese from the Champagne and Burgundy regions of France is creamy, fudgy and fruity. Washed in Marc de Bourgogne, an eau de vie made from Champagne grape skins, the delicate moulds on the outside lead to the softening of the paste.	£8.65 each
TALEGGIO (O) Traditional rennet Unpasteurised cow's milk, Italy	A pungent, washed-rind cheese from Italy. The flavour intensifies with age, but is surprisingly mild, milky and unctuous.	£25.50/kg

COLSTON BASSETT STILTON Traditional rennet Pasteurised cow's milk, England	In my opinion, the King of the Blues, Colston Bassett Stilton is a beautiful, rich, fruity, creamy and balanced blue cheese. Loved by non-blue cheese lovers, and hard-core blue fans alike, this cheese ticks all the boxes withoutbeing too much. At this time of year this cheese really sings. Have a tasteand try for yourself.	£21.60/kg
1924 Traditional rennet Pasteurised cow and sheep's milk, France	A blended milk cheese that would have been what a traditional Roquefort was prior to the 1925 AOC regulation which stipulated that it should be pure Ewe's milk cheese. Beautiful, creamy, rich, sweet and salty.	£30.50/kg
FOURME D'AMBERT Traditional rennet Unpasteurised cow's milk, France	A creamy soft blue cheese from the Auvergne region, central France. Made from cows milk this cheese should come with a warning… HIGHLY ADDICTIVE. Sweet and salty and a little bit too easy to eat.	£21.50/kg
