

JOB VACANCY

MARKET SELLER - 5 HRS EVERY 1ST AND 3RD SATURDAY OF THE MONTH @ABER FARMERS MARKET.

We are looking for someone to work on our Aberystwyth market stand with Huw. You will meet at the stand at 8.50am, and unload the van. You will then set up the bread display, and start selling the produce. Love of bread is essential, confidence to be able to talk to customers about the breads, good at adding up and handling money too. At the end of the market you would help break down the stand and load up the van again. All done by about 2pm.

Would best suit someone living in Aberystwyth as we don't pay for travel time.

You must be energetic, friendly, presentable, and enthusiastic. You will be representing our business so you are a key person for us, and great customer service is a must.

Start rate £8/hr, plus bread to take home.

Interested? Please contact Lucy Watson on 01570 423099 or email lucy@watsonandpratts.co.uk, or pop into our shop on the industrial estate (Unit 23 Lampeter Industrial Estate, Tregaron Road, Lampeter, SA48 8LT), or talk to Huw on the market stand. We are very picky and are only looking to hire people who really want to work with us, who work hard, and who we think will make our business a better place.
