

Job Vacancy: Delivery Driver

We are an organic fruit & vegetable wholesaler based in Lampeter and are looking for someone to join our team to deliver produce locally, and further afield in our own vans.

You must be over the age of 25, and hold a clean valid UK driving licence.

Full training will be given on the job, but we are looking for someone with a systematic approach to work, someone who likes to dot the i's and cross the t's.

You must be physically fit, and able to lift sacks of up to 25kg in and out of the van.

The routes each day follow the same pattern, but differ slightly each week depending on who has ordered with us. We are looking for someone who excels at planning routes, and seeing where improvements can be made. The routes vary from a local run from Lampeter to Aberaeron and back, to delivering to shops in Bristol every week.

You will be responsible to making sure all the orders are loaded onto the van, and all the correct boxes are delivered to every customer. You must be able to deal with issues that may arise, anything from a flat tyre, to road closures and traffic jams.

Customer service is very important to us and out on the road you are the face of the business. You must be approachable, helpful, and give our customers great service as well as reporting anything back to the office. Great communication skills are required. For this reason, you must be a team player, and not a lone wolf.

We need someone who is motivated, highly organised, and work to a very high standard. Working as a part of a team with the packing team members and office staff, you will also be required to support, develop and direct other team members, and take direction from them.

Impeccable timing, attention to detail, and the ability to constantly improve and refine are all required characteristics for the role.

Shifts start at 8am, and are between 6 and 8 hours in length.

22+ hours/week over 3 days (Mondays, Tuesdays and Wednesdays)

You will be expected to cover shifts on the other days (including Saturdays and Sundays) when required.

Application deadline: 17/11/2021

Start date: end November 2021

Salary: £10/hr

Location: Lampeter Industrial Estate, SA48 8LT, www.watsonandpratts.co.uk

To apply, please apply via www.indeed.co.uk, or by completing an application form (available on our website www.watsonandpratts.co.uk) and send this, along with a covering letter to ELEN@watsonandpratts.co.uk. Applications via facebook will not be considered. As part of the recruitment process there will be telephone and/or in-person interviews, and trial shifts both working in our warehouse, and in the van doing deliveries.
