## JOB VACANCY: DELIVERY DRIVER – PART TIME

Watson & Pratt's in Lampeter has a vacancy for a delivery driver. The successful candidate will be an ambassador for the business, coming into daily contact with our customers who will give feedback on orders, quality and make payments.

We are a small but growing business, wholesaling and retailing organic fruit and vegetables throughout Wales. We have an on-site bakery that produces our range of freshly baked, hand-made loaves Tuesday to Saturday.

To drive our vans you will need to be at least 25 years old, with a valid driving license and have good driving skills and road safety awareness. You will be able to lift and carry 25kg. Although you will not be doing this all day you will need to be able to physically move these sorts of weights. You will be handling cash and so will need to operate with honesty and integrity.

We are looking for adaptability, multi-tasking, open and approachable, with great customer service skills. Punctuality is non-negotiable, lateness is not tolerated. Precision and attention to detail is important. Thinking on your feet, and a willingness to be flexible are important skills.

We maintain very high standards, and you will be expected to learn everything we do, and then to push the standards up. Its hard work, but fun.

One shift a week is available on a Tuesday (working from 9.00am to 5.00pm but finish time can vary). Potential for additional shifts as well. You will also be required to work extra days to cover other holidays.

Start rate £8/hr, moving to £8.50+/hr when fully trained.  
Plus extra shifts to cover holiday as and when required.

If you are interested and want to apply, please contact Lucy Watson on 01570 423099 or email [lucy@watsonandpratts.co.uk](mailto:lucy@watsonandpratts.co.uk), or pop into our shop on the industrial estate to pick up an application form.
